Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Sunday 17 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Chilly for some overnight. Rain spreading east on Monday.

This Evening and Tonight:
Fine with clear spells into the evening, allowing temperatures to drop. This bringing a risk of fog patches and low cloud once again, especially in the east. Thicker cloud into far western areas by dawn. Locally chilly in eastern areas. Minimum temperature 5 deg C (41 deg F).

Monday:
Chilly start in east with local fog patches clearing, but also some sunny spells. Thickening cloud and outbreaks of rain spreading eastwards. Breezy on coasts. Very mild. Maximum temperature 18 deg C (64 deg F).

Outlook for Tuesday to Thursday:
Unsettled and rather windy through this period, perhaps especially Wednesday and early Thursday, with spells of rain and heavy showers. Temperatures starting well above average, but trending downwards after midweek.
